THE PROGLAMATION OF FREEDOM.

Awake! Calumbia's sons, awake! And blow the trump of Jubblee; With thunder tones the Nations shake, And loud proclaim the slave is free-

And decrebed the land with patriot blood; Her hifmy has speed afar, Her crying sins gone up to God,

Her dienal night was long and drear, While Afric's sons in auguish lay; With dickering hopes and anxious fears: They waited long for break of day,

The Eternal King no more forbears To smite the accursed Upar tree; Bul, rising on his throne, he Sweets: "My Afric children shall be free."

And Despots tage and Tyrants rave, "The gates of Heil shall not prevail." "My Afric Sons shall not be stare."

My pravidence shall lead her ald In righteen handred sixty-three The Nation's voice, by nele Abe Shall load proclaim. The stare is free.

Then will the "afore and steloes ." enfurted Wave o'er the land and o'er the sea And long proclaim to all the world: The black man and the white are free.

FROM RICHMOND.

Richmond papers of this morning contains a Moldie dispatch of yesterday saying that a special from Grenola on the 15th, states that an all do amp of Gen. Forrest who arrived there this evening reports the capture of Trenton, Union City. Hamboldt with over 2000 prisoners, 2 cannons and a large amount of commissary storce. The atteck on Jackson Tenn, was a feint to cover the rebel operations. The railroad from Jackson to Columbus has been destroyed. Leich er's annual message to the Virginia Legislature was read yesterday. It was seven columns long. It relation to the Division of the State by Congress he says Western Virginia must necessarily be a free Territory. I cannot suppose in any treaty of peace that will be agreed upon, Virginia will soon recognize the division of her Territory or even consent to a treaty that will strip her of any portion of her domain. It is better that this wer should continue for an indeffinate period than that Virginia shall be even partially dismembered, he wences the North of Vandalism without a paralel in the history of war and states a long list of indiguities, outrages and wanton destruction. He estimated the balance in the Treasury Oct. 1st at

\$134,000, the total axid for the war is \$733,700. He advises that all free neuroes now residents in the portions of the state over run by the enemy be removed and put at work on the fortifications as they have it in their power to temps, with the slaves and give valuable information to the enemy Eighteen men cantured by the Vincinia state line at Petersburg and Pikeville in Kentucky are confined at Richmond and the Gaverner has announce ed to the President the terms upon which such exchanges can along be made. He has placed at hard labor in the positentiary Capt. Graham am Lieut. Wade as hostages for Capt. Dusky and Lieut. Variner now confied in the District of Columbia l'enitentiary. He also bolds in solitary confinement Thomas Dunson, Lieut. Col. Depron and privates Jno. W. Howe, Isaac Goble, David V. Ansier, Samuel Peak and W.S. Dilli, as hostages for Seavonia. Much of the message is occupied with miniportant matters.
